Adobe(R) Photoshop(R) 6.0 Studio Techniques Ben Willmore
This is the definitive guide to mastering the most essential features of Photoshop. Experienced Photoshop instructor Ben Willmore provides lessons that will help all users truly understand this popular image editing software. The text starts out with basic Photoshop techniques and moves on to more complex tasks and features, including layers, resolution, line art scanning, compositing, color correction, and displaying images on the Web. With these concepts and skills explained in a "technobabble-free" way, readers will master even the most complex Photoshop concepts. This is not a special effects cookbook or a primer on digital design; rather, this reader-friendly book is designed to boost users' productivity by showing how and why to use certain Photoshop tools.
