Cheaters

Eric Jerome Dickey

Cheaters Eric Jerome Dickey

Cheaters is the book that broke new ground for Eric Jerome Dickey, following the skyrocketing success of his first three #1 **Blackboard** bestsellers, **Sister, Sister, Friends and Lovers**, and **Milk in My Coffee**.

Cheaters takes on a larger canvas and cast of characters, and fearlessly explores how bad even good people can sometimes behave in the game of love. It has earned Dickey even more loyal readers, and was chosen as **Blackboard**'s Best Book of the Year.

In **Cheaters**, Stephan loves em and leaves em, just like his daddy. Chanté thinks she's found her dream man—until his wife and kids come banging on her door. Jake is a player—left with bad dreams he just can't shake. Darnell is true to his wife...but the temptation's getting tougher every day. Tammy is caught between the man she loves, and the woman he's promised to. And while Karen lectures her friends about fooling around, she may not live up to her own high standards...

This is the world of Eric Jerome Dickey. It's heart-wrenching and hilarious, smart and soulful, and as honest and recognizable as your own—and that of everyone who never loved you back.

From reader reviews:

Raymond Roth:

As people who live in the actual modest era should be upgrade about what going on or details even knowledge to make them keep up with the era that is always change and move ahead. Some of you maybe will update themselves by examining books. It is a good choice in your case but the problems coming to you actually is you don't know what kind you should start with. This Cheaters is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Cindy Martin:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge even the information inside the book that improve your knowledge and information. The information you get based on what kind of e-book you read, if you want have more knowledge just go with education and learning books but if you want feel happy read one having theme for entertaining such as comic or novel. Often the Cheaters is kind of e-book which is giving the reader unstable experience.

Kyle Raya:

Within this era which is the greater individual or who has ability in doing something more are more special than other. Do you want to become considered one of it? It is just simple way to have that. What you should do is just spending your time not very much but quite enough to experience a look at some books. Among the books in the top checklist in your reading list is Cheaters. This book that is qualified as The Hungry Mountains can get you closer in growing to be precious person. By looking right up and review this guide you can get many advantages.

Sheila Seim:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from your book. Book is created or printed or descriptive from each source that filled update of news. Within this modern era like now, many ways to get information are available for you actually. From media social similar to newspaper, magazines, science publication, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just looking for the Cheaters when you necessary it?
