## **Desperate Parents: The real reasons behind why bright kids can't learn!** Harland Larson

Desperate Parents provides a basic overview of many of the common learning disabilities that children sometimes face. Herein we examine many learning/tutoring centers found in the Western United States, some of which are also available in various parts of the world. With this book parents should find themselves educated more thoroughly on common disabilities, and may be more well-prepared to choose the appropriate treatment program based on the needs of their child.
