Dracula vs. Hitler

Patrick Sheane Duncan

Dracula vs. Hitler Patrick Sheane Duncan

“A novel worthy of being called the true sequel to Bram Stoker’s *Dracula*, and Patrick Sheane Duncan a writer rightfully deserving to be considered that author’s successor.”? *New York Journal of Books*

Ravaged by the Nazi Secret Service during World War II, Romanian resistance forces turn to one of their leaders, Professor Van Helsing for any way out. To fight these monstrous forces, Van Helsing raises a legendary monster from centuries of slumber... Prince Dracula himself.

Once he was the ruler of Transylvania. Prince Vlad Dracul, is, above all else, a patriot. He proves more than willing to once again drive out his country’s invaders. Upshot: No one minds if he drinks all the German blood he desires.

In Berlin, when Hitler hears about the many defeats his forces are suffering at the hands of an apparent true vampire, he is seduced by the possibility of becoming immortal. Thus two forces are set upon a collision course, the ultimate confrontation: Superpower against superpower.
