Don't want to get a job?

Is that what I heard?

You can start your own business like Mark Zuckerberg.

Anyone can do it, anyone at all,

But it won't be easy; most start with a crawl.

A simple idea inside of your head,

Until it's so strong it keeps you from bed.

Up thinking all night, about making it real,

And all of the fun, how good it'll feel.

If you keep up your faith, lock your eyes on the prize,

And travel the road, all the lows and the highs,

Success will find you at some point, I'm sure.

Don't believe me? Just ask any entrepreneur!

The perfect gift for the recent grad, this book will give them all the advice they never learned in school and prepare them for life in the real world. Tony Carter's picture book for adults is a fun parody of Dr. Seuss's Oh, The Places You'll Go! and it's now available as an adult coloring book!
