#### **Patricia Stroud:**

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just little students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The encyclopedia of small arms and artillery: From World War II to the present day can make you experience more interested to read.
