Fables and Fabrications

Jan Edwards

Fables and Fabrications Jan Edwards

From the Arctic wastes of Norway to a fun-laden evening at the fair, Jan Edwards leads us through a world where nothing is as it seems. Shape changers and ancient spirits roam, and cats play their inscrutable parts in stories that unsettle and disturb the reader's perceptions. Fourteen tales of mystery, mirth and the macabre. Chosen from her back catalogue of horror and dark fantasy these stories, leavened with a sprinkle of verse, have been collected for the first time in this volume. On 'Drawing Down the Moon': 'Jan Edwards has yet to let me down' – Dave Brzeski, British Fantasy Society On 'Midnight Twilight': 'A really good story made brilliant by the final reveal' – Jim Macleod, Ginger Nuts of Horror On 'A Taste of Culture': 'One of the stories that makes [The Mammoth Book of Dracula] a keeper' – N. Light, Amazon.com
