When Alexei seeks the help of a ghost to deal with a swaggering bully, he gets the strength and confidence he hopes for. If in the process, he hurt his best friend Sol, well, he can make it up to the wolf later. Things get worse when the ghost, an old Siberian soldier, demands that Alexei give up his gay life, which Alexei fled his home country for. The young fox is resolved to send the ghost away--until his sister, left behind with their abusive parents, falls into mortal danger from which only the ghost can save her. Now Alexei must choose between living the life he risked everything to have and rescuing his beloved Caterina from death...or worse.
