Anna has two masters, one she hardly knows, but who makes her feel safe, the other she's known all her life and says he needs her. Alex wants her to be free. Devin demands her obedience. As Anna takes her first steps into the world, into love, into friendship, she wonders if she will ever understand either of them. There is a subculture within our own world that you've only heard whispers of. The conspiracy theorists wish they knew Anna's story.
