Ursula's War

Ursula Schiefer Campbell

Ursula's War Ursula Schiefer Campbell

In the summer of 1941, a pretty German teenager, tortured by a terrible secret she dared not reveal, did the only thing she could think of to get away from her abusive father. She was barely 16-years-old and only dimly aware of the war raging across Europe when she joined a branch of the German navy. But she soon discovered that by escaping one demon, she fell into an even darker hell filled with greater dangers, one that lasted long after the shooting and bombing stopped in 1945. Her life became a struggle to survive and reunite with her beloved mother, who remained stuck behind the Iron Curtain. Hungry, sick and depressed, she became a refugee in her own devastated homeland and resigned herself to an early death. But fate and a series of saviors had other plans and this is her own story of a struggle in an unforgiving world, of her many unexpected heroes and, finally, of the American soldier who came to her final rescue.

From reader reviews:

Rafael Runyan:

Here thing why this Ursula's War are different and trustworthy to be yours. First of all reading through a book is good but it really depends in the content of it which is the content is as scrumptious as food or not. Ursula's War giving you information deeper including different ways, you can find any book out there but there is no publication that similar with Ursula's War. It gives you thrill studying journey, its open up your eyes about the thing that happened in the world which is might be can be happened around you. You can bring everywhere like in playground, café, or even in your technique home by train. Should you be having difficulties in bringing the published book maybe the form of Ursula's War in e-book can be your option.

Erica Rawlins:

Nowadays reading books become more than want or need but also work as a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge even the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want have more knowledge just go with training books but if you want experience happy read one with theme for entertaining such as comic or novel. The actual Ursula's War is kind of e-book which is giving the reader capricious experience.

Michael Kruger:

Information is provisions for people to get better life, information currently can get by anyone on everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider any time those information which is inside the former life are hard to be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Ursula's War as your daily resource information.

Ashley Johnson:

Book is one of source of expertise. We can add our know-how from it. Not only for students but also native or citizen require book to know the up-date information of year in order to year. As we know those publications have many advantages. Beside we all add our knowledge, may also bring us to around the world. From the book Ursula's War we can have more advantage. Don't that you be creative people? Being creative person must choose to read a book. Merely choose the best book that suitable with your aim. Don't become doubt to change your life at this book Ursula's War. You can more attractive than now.
