Wedding Bush Road: A Novel David Francis

A young lawyer in Los Angeles is called back to his family's farm in rural Australia and plunged into a complex struggle between past and present, town and country, and the secrets that haunt them all.

When he learns of his mother's ailing health, Daniel Rawson must leave Los Angeles and travel half a world away to the family's horse farm on Wedding Bush Road, one hundred miles outside of Melbourne.

Estranged from his parents, Daniel is hesitant to revisit their history: long divorced, his mother still maintains the farm having put out her cheating, rakish husband, and even in these later years her anger burns brightly.

Daniel arrives at the farm in the heat of his parents' conflict with Sharen, an alluring tenant and ex-lover of his father now perched on family land. Sharen and her unstable son Reggie complicate an already difficult family dynamic while Daniel has to tend to his mother's condition, his father's contentious behavior, and the swell of memory that strikes whenever he visits the farm. As Daniel is increasingly drawn to Sharen, the various tensions across the farm will spark events that cannot help but change them all.

From reader reviews:

Thomas Paris:

As people who live in the particular modest era should be update about what going on or facts even knowledge to make these keep up with the era which is always change and move ahead. Some of you maybe can update themselves by examining books. It is a good choice for you personally but the problems coming to anyone is you don't know which one you should start with. This Wedding Bush Road: A Novel is our recommendation to help you keep up with the world. Why, because this book serves what you want and want in this era.

Doris Stanford:

Nowadays reading books are more than want or need but also turn into a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge your information inside the book that improve your knowledge and information. The information you get based on what kind of book you read, if you want attract knowledge just go with education and learning books but if you want sense happy read one along with theme for entertaining for instance comic or novel. Typically the Wedding Bush Road: A Novel is kind of publication which is giving the reader unpredictable experience.

Douglas Leverette:

Playing with family in a park, coming to see the sea world or hanging out with buddies is thing that usually you have done when you have spare time, subsequently why you don't try thing that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Wedding Bush Road: A Novel, you could enjoy both. It is great combination right, you still would like to miss it? What kind of hangout type is it? Oh can occur its mind hangout fellas. What? Still don't buy it, oh come on its called reading friends.

Laura Ide:

Many people spending their moment by playing outside together with friends, fun activity along with family or just watching TV the whole day. You can have new activity to spend your whole day by studying a book. Ugh, you think reading a book really can hard because you have to use the book everywhere? It alright you can have the e-book, getting everywhere you want in your Smartphone. Like Wedding Bush Road: A Novel which is finding the e-book version. So , why not try out this book? Let's find.
