An Enemy Has Done This!: The Question is Why? Walter Tschoepe

We know what happened on September 11, 2001. The West was attacked by 9 terrorists of the Muslim religion. This was a conscious, pre-mediated, coordinated act by those people against other human beings. Of course we know that there was a monster behind it all, called Satan. What many people don't want to believe is that this is a religious war in the name of their god Allah. All one has to do is read some parts of the Quran. When people think that the West will defeat or contain these Islamic terrorists in a few years or even 30 years as has been stated at various times, they need to think again. In 732 A.D. the Muslim Army, which was moving on Paris, was defeated and turned back at Tours, France, by Charles Martell. In 1571 A.D. the Muslim Army/Navy was defeated by the Italians and Austrians as they tried to cross the Mediterranean to attack southern Europe in the Battle of Lepanto. In 1683 A.D. the Turkish Muslim Army, attacking Eastern Europe, was finally defeated in the Battle of Vienna by German and Polish Christian Armies. This has been going on for 1,400 years and half of the politicians don't even know it. If these battles had not been won, we might be speaking Arabic and Christianity could be non-existent; Judaism certainly would not exist. This is still their ultimate goal. These following events are actual events from history. They really happened! It has been 48 years since 1968 and this just keeps going on and on. 1. In 1968, Bobby Kennedy was shot and killed by a Muslim male. 2. In 1972, at the Munich Olympics, Israeli athletes were kidnapped and massacred by Muslim males. 3. In 1972, a Pan Am 747 was hijacked and eventually diverted to Cairo where a fuse was lit on final approach. Shortly after landing it was blown up by Muslim males. 4. In 1973, a Pan Am 707 was destroyed in Rome, with 33 people killed, when it was attacked with grenades by Muslim males. 5. In 1979, the US embassy in Iran was taken over by Muslim males. 6. During the 1980's a number of Americans were kidnapped in Lebanon by Muslim males. 7. In 1983, the US Marine barracks in Beirut was blown up by Muslim males. 8. In 1985, the cruise ship Achille Lauro was hijacked and a 70-year old American passenger was murdered and thrown overboard in his wheelchair by Muslim males. 9. In 1985, TWA flight 847 was hijacked at Athens, and a US Navy diver trying to rescue passengers was murdered by Muslim males. Do your own research and see what took place in 1988 with Pan Am Flight 103, in 1993, the World Trade Center, in 1998 the U.S. Embassies in Kenya and Tanzania were all by Muslim males in the name of Allah. Then in 2002 the USA fought in Afghanistan, also the reporter Daniel Pears was beheaded, in 2013 the Boston Marathon bombings were 4 people were killed and 264 injured in the name of Allah and we could go on. We are talking about a religious war. This has nothing to do with being racist or anti-muslimism, these are facts and an age old war against innocent people. Believe it or not, the same has happened to or within Christianity during the past 2,000 years. Here again we have a religious war, a war between the Creator God and the arch enemy Satan. Many false doctrines, doctrines and commandments of man have been quietly introduced among Bible believers and God's teachings have been watered down and removed. This is being done to deceive innocent people and to separate them from their creator, their life-giver. This is what I am trying to address in my books. It may not be politically correct, as it is not politically correct to say that we are in a religious war, especially since 9/11/2001, but it is nevertheless something which must be addressed and called by what it is. What happened on September 11, 2001 was absolutely terrible and is inexcusable, but what happened to God's word during the past 2,000 years is even more terrible, because here it affects eternity. Let's at least talk about and reason together.
