Arctic Workhorse: The RCMP Schooner St. Roch James Delgado

Dodging between the Arctic floes, almost crushed several times, the little RCMP vessel *St. Roch* was the first ship to conquer the hazardous Northwest Passage from west to east. Two years later, in 1944, she did it from east to west.

Arctic Workhorse is a biography of *St. Roch*, from her construction in Vancouver in 1928, through her working life and famous voyages, to her resting place at the Vancouver Maritime Museum.
