Blake loves to play! But when he decides to find a new friend one bright day, all he finds are mistakes! What is going on? Will Blake ever find a friend?

Written by a seven-year-old 'reluctant reader' (with a little help from Grandmomma), Blake the Snake will appeal to kids who are working to improve their reading skills. Bright pictures will bring a smile as children follow Blake on his quest to make a new friend and will encourage them to keep reading until the end.

While Blake the Snake was written for reluctant readers and for young children, it won't grow old as parents read along. Have fun with your child by thinking of other items that Blake could mistake for the sought-after friend, identifying colors of each item or drawing the items in the book as you re-tell the story together.

This book is also available in the Kindle store and will be coming soon in Spanish and as an audio book.

This book is also great if you're looking for a book in the following categories: Children's books by ages 3-5, Children's books by ages 1-3, Children's books by ages 6-8, reluctant readers boys, Animal book, Animals, Animalia, Best seller, Early readers, Early readers boys, Early reader level 1, Early reader level 2, Snake book, Snake in glasses, Glasses book, Glasses who needs 'em
