Commercial Law: Selected Statutes William Warren, Steven Walt

This compilation of statutes collects the major enactments governing commercial law. It includes the Official Text and Comments of the Uniform Commercial Code. Other materials include the Bankruptcy Code (other than stockbroker liquidation provisions), selected provisions of the Internal Revenue Code, the Check 21 Act, and the Consumer Credit Protection Act. Although this compilation is designed to accompany Warren and Walt's Commercial Law and its two component volumes, as well as Walt's Sales Law, these materials are likely to be referenced by any commercial law textbook. The materials therefore are suitable for use as a statutory supplement to accompany other casebooks in the areas of domestic and international sales, secured transactions, and payment systems.
