Credit After Bankruptcy: The easy-to-follow guide to a quick and lasting recovery from personal bankruptcy Stephen Snyder

Whether you filed bankruptcy several years ago or last week, this book will show you how to make a dramatic and lasting recovery. Stephen Snyder and his wife, Michele, each had their Chapter 7 bankruptcy discharged in 1993. They were both so cash poor at the time that they had to borrow money from their families to file. Then, within months, obtained bank loans, major bank cards, start-up capital for a small business, and more - all using mainstream credit and without the aid of high-interest credit card companies. Today they give, save, and invest 30 percent of their income and live off 70 percent. Stephen uses the knowledge he gained during his remarkable recovery to walk readers through the specific actions they need to take to get a car, house, credit card, and many other types of credit with mainstream lenders after bankruptcy. *Credit After Bankruptcy* helps readers recover emotionally, financially, and spiritually.
