Essential Skills and Strategies in the Helping Process

Robert E. Doyle

Essential Skills and Strategies in the Helping Process Robert E. Doyle

Now available in paperback and offering numerous case studies and examples, Doyle's up-to-date book successfully integrates theory and skills, providing a thorough and applied overview of the field. The book's unique conceptual model walks the reader through how and why to use different counseling interventions. Section One provides an overview of the essential components of the counseling process; Section Two outlines some basic counseling intervention strategies; and Section Three presents the author's comprehensive counseling model.
