## **I Brought the Gutter** Sean Dietrich

'I Brought the Gutter' is a journey not unlike Alice's down the rabbit hole, except it's more like sticking your head down the hole that is a garbage disposal and breaking the switch off in the 'on' position, while guzzling whiskey and screaming out your desire for fishnets and fried chicken. It's a raw, personal and powerful look into the art and times of Sean Dietrich, who, over the last 10 years, has performed live painting at over 800 events. From the seediest night clubs to large scale festivals, Dietrich allows you a glimpse into his world of bars, booze, pin up girls, and frustration with the art scene in America. It is truly a tale of one of the most famous artists you've never heard of-an underground artist who has forged an intelligent art scene for a tiny little beach town with over inflated egos and a fear of books.
