Naked Beauty (English, English, German, French, Spanish and Italian Edition)

Steeped in photographic tradition, Sylvie Blum has worked as a model with such iconic artists as Helmut Newton, Andreas H. Bitesnich, and Gunter Blum before trying her hand at photography herself. As she works, she bathes the studio in a gentle glow with an exacting attention to lighting; yet, her endearing and fun-filled personality sets her subject at ease. Blum brings not just perfection but passion to her work--though her technique and composition are remarkable--because both as a woman and artist, Sylvie Blum is able to offer a unique perspective on the female form. She simply 'gets' how important the subject is to the creative process. Each impeccable image transcends sculptured form to convey the true essence of a beautiful and confident woman.
