The Snow Angel

The Snow Angel Glenn Beck, Chris Schoebinger

A picture-book edition of Glenn Beck's tale of family, resilience, and love across distance, following in the footsteps of his #1 *New York Times* bestselling *The Christmas Sweater*.

Adapted from the newest Glenn Beck release, *Snow Angel* is the story of two siblings, who yearn for new toys and a fun vacation, but their parents are struggling and cannot give them what they want. Though their disappointment is obvious, their grandmother tells them the story of a young girl whose family also went through hard times. Before her father has to leave to find work, he makes a snow angel, telling his little girl that no matter where he is, there will always be an angel looking out for her and her mother, helping the brother and sister realize the true meaning of family.

Ultimately, it's a story of family, resilience, and knowing that the ones you love are never too far away.
