- Before Fredric Wertham and *The Seduction of the Innocent* (SOTI), before the Kefauver Hearings, and before the infamous Comics Code the comic book racks at local drug stores and newsstands boasted a plethora of delights highlighted by the good girl adventures of the comic book version of Brenda Starr. These four-color wonders displayed all the finer things loved by comic book buyers: good girls, bondage, a little torture, and other delectable things, which adults thought would corrupt the morals of young and impressionable readers. Now, for the first time in over 50-years, comics fans can read and own these rare comics from another era, digitally restored to perfection and presented in an archival hardcover.
- Featuring artwork by the legendary Jerry Iger Studio and *Brenda Starr* Creator Gale Messick, this volume presents the remaining four *Brenda Starr* Pre-Code books, issues #9-12, and the very mod and 1960's version of Brenda drawn and scripted by Dale Messick. In addition to presenting *Brenda Starr* stories, this reprint also boasts all of the scintillating back-up features.
