## **High: Insights on Marijuana** Sebastian Marincolo

Is it true that a marijuana high can lead to profound insights, as many users have reported? In his now classic essay "Mr. X", anonymously published in 1971, even the famous astronomer Carl Sagan claimed that he owed many invaluable insights for his publications to marijuana. The investigation *High. Insights on Marijuana* explains in depth the different ways a marijuana high can lead to insights as well as to other mind enhancements, such as the enhancement of episodic memory, pattern recognition, imagination, creativity, introspection, and our ability for empathic understanding. Countless fascinating reports given by marijuana users and cutting-edge research from various areas of knowledge help Marincolo to take our understanding of the marijuana high to a new level. His unusual study is a thoroughly accessible and entertaining interdisciplinary tour de force through the current cognitive sciences, evolutionary psychology, neuropsychology and the philosophy of mind. *High. Insights on Marijuana* offers a revolutionary new perspective on the mind-enhancing potential of marijuana and takes his readers to a voyage deep into the high mind.
