## **Lloyd George: Statesman or Scoundrel (A Life in Politics)** Richard Wilkinson

David Lloyd George left a profound political legacy, despite being described by the wife of his successor, Herbert Asquith, as a 'gambler without foresight'. He is, of course, best known as the Prime Minister who led Britain to victory in World War I, but his contribution to domestic politics was similarly impressive. As Chancellor of the Exchequer he introduced pensions and national insurance against sickness and unemployment, while as Prime Minister he extended democracy by giving votes to women. Yet Lloyd George was compromised by his flaws as a human being. Vain, cruel, capricious and dishonest, at times his notoriously corrupt nature threatened to damage the British political system. Providing a unique new perspective on one of the most phenomenally-talented – but also one of the most phenomenally-flawed – of British Prime Ministers, this book will be essential reading for anyone interested in modern British politics and history.

#### **Edmund Hillman:**

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Lloyd George: Statesman

or Scoundrel (A Life in Politics) can make you really feel more interested to read.
