A BWWM Billionaire Romance Story Adalia is too proud to accept help from the billionaire playboy, Trent Dawson. How long can she maintain her resolve? *****Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only***** Adalia Montclair has never taken a hand out in her life. She's worked her way up and is a not-so-successful business owner following her dream of running her own bakery. Everything is going just fine, until sexy white billionaire, Trent Dawson, appears on the scene to woo her with his money, charm and blatant disregard for her insistence that she doesn't need a man to help her. Adalia is torn between falling for a clear playboy and trusting him enough to let him into her life – a fate she couldn't possibly envision after the pain of her last break up. She's determined to focus on the business, but the bank's insistent calls about her loan repayments give her cause for weakness. She needs help on this one, and there's only one guy with the power, and the will, to step up to the challenge. But a surprise visit throws everything into disarray when Trent shows the side of himself she'd feared he possessed all along. **Read the first book of this sexy, romantic series.**
