This book is a wondrous disclosure of the Fullness of the Gospel of Christ (His Maturer teachings), which neither Christendom, New Thought, nor New Age adherents (including meta-physicians and mystics), as a whole, are even aware of, much less understand. It is a ‘laying out’ of the Creator’s Program kept hidden since ‘the foundation of the world’, even from Angelic Beings, save for a witnessing, hopeful few, who were given to suspect Its glorious-beyond-belief aspects, since the dawn of human history. These Final and Profound teachings of Christ are presented in the language of everyday God-cherished people, and is not intended to be an exhaustive treatise utilizing theological or technical scholarly terms. Nor does it attempt to address every opposing view or objection. It merely seeks to present God-Truth with accuracy, clarity, conviction, persuasion, and Heart-fortifying, God-glorifying literary expression. The Truth of the matter is that these teachings are destined to redeem not only the terrestrial globe and its inhabitants of all eras, but also the entirety of the Cosmos, one day! May you be graced to know this – now! This book provides in clear, concise, captivating language the following – and much more! And Truths seldom found under any one cover! • Learn of aspects, glories, and Divine Truths about Jesus’ person and teachings, which are either unknown, seldom taught, little understood, or misunderstood by His children, which will Inspire you and Empower you – as no other teachings before! • Discover the Truth about Riches, True Love, and the Great Universal Laws of Life, if truly believed – and lived, will bring fulfillment of your deepest heart’s longing! • Behold how you may live a Life of Victory and experience The Joy of a Calm Spirit, in spite of your circumstances, each and every day, through a surrendered life, and greater Spiritual Knowledge! • Uncover The Untold Mysteries of the Forgotten Cross, undisclosed for hundreds of years, magnifying God’s Love as never before! • The Hidden Glories of Our Lord’s Resurrection, unknown to much of the Christian world, and their profound significance • What the ‘Fullness of the Gospel’ really means, and why so few people can scarcely believe it • The Greatest Discovery ever made regarding the Heights and Depths of God’s Love – And, Its Breathtaking Implications! • The Deeper Meaning of the ‘Nativity Event’, and what the entrance of Divine Love into the world really portended! • The Greatest Single Achievement Christ will ever have obtained, and the Astonishing-Beyond-Belief, yet Wholly-True, Outcome! • Why people are no longer astonished at ‘Christ’s doctrine’, as they virtually always were, in early Christian eras! • The Unrealized Significance of The Most Wonderful Words ever spoken! – Bringing them alive as never before – Today! • What the actual Crusade of Jesus Christ is all about, your personal role in It, and Its undreamed-of Outcome! • Hear The Christ Tale Never Told to the world, which God desires to be told to all – today! • The ‘Hidden Dream’ cradled in the Saviour’s Heart, a Dream few men or women have been made privy to, or privileged to hear! • The Greatest Lesson our Lord desired all His followers to understand about His Cross, which tradition does not speak to! • Why you can thrill to the coming ‘Dispensation of the Fullness of Times’ as spoken of by the Apostle Paul in his almost ecstatic language – due to Its Unparalleled Majesty and Glory! • This 702-page compendium is the result of a full twelve years of consecrated prayer, study, research, and contemplation, and subsequent Holy Spirit ‘directed’, commissioned writing, of Truths that have escaped the understanding of the Christian world.
