Life Unexpected J.A. Stone

Corey Bennett knows how to handle loss: she buries her grief, just as she buried her loved ones. After losing her parents to a tragic car accident and then her husband to cancer, Corey has focused all her attention on her career—first in law school and then on the partner track at a prestigious Atlanta law firm. When her boss insists she take a vacation, Corey balks. But two weeks on the Florida Gulf Coast, where she reconnects with Tripp, a childhood friend, prove to be profoundly rejuvenating.

Torn between her workaholic patterns and a new urge to nurture, Corey starts to question all her past choices. What does *she* want her life to be? And is she brave enough to say yes to love again?

J.A. Stone's graceful, big-hearted novel about one woman's rebirth reveals that sometimes the greatest courage is required for the simplest act: choosing your own path.

Revised edition: This edition of *Life Unexpected* includes editorial revisions.
