Is it possible we don't see God working in mighty ways because we don't ask him to work in mighty ways? Throughout history, God has used revival to build and renew his church. *God-Sized Vision* challenges us to pray expectantly to see his work in our own day. God can bring revival again to our community, our country, and our world. Our faith grows stronger when we learn how God worked in the past. The historical stories of worldwide revivals in this book enlarge our hearts and expand our minds as we see God at work in human history with a power that is still available to the faithful today. Here scholars Collin Hansen and John Woodbridge recount the fascinating details of world-changing revivals, beginning with biblical events and continuing through the Reformation, the Great Awakenings, the Welsh and Korean revivals, the East Africa Revival of the 1930s, and more recent revivals in North America and China. What did these revivals have in common? How can we prepare for—and expect—revival in our own culture? With accessible language and gripping examples, Hansen and Woodbridge explore these questions and more, strengthening our understanding of God's work while deepening our faith in the possibility of revival—right where we are.
