Critical Legal Studies (International Library of Essays in Law and Legal Theory)

James Boyle

Critical Legal Studies (International Library of Essays in Law and Legal Theory) James Boyle

This volume surveys the current state of the critical Legal Studies movement- a fifteen year old initiative whose proponents are committed to building a strong progressive community inside law schools and the legal profession. In his introduction, Boyle argues that CLS has succeeded because it analyzes the inadequacies of rights talk, technocracy, and law and economics, and because it connects theory with the everyday experiences of lawyers and legal scholars. Articles present the CLS perspective on legal reasoning, legal history, substantive law, legal practice, and social theory.
