False Christ Coming: Does Anybody Care?: What New Age Leaders Really Have in Store for America, the Church, and the World Warren Smith

Many church leaders believe that Antichrist is alive and well in the world today. But what is being left out of the discussion is how this coming false Christ has already mainstreamed his New Age Gospel and New Spirituality into the world and into the church. Just as Hitler telegraphed his plans in Mein Kampf, so Antichrist has telegraphed his plans through his designated false teachers. Author Warren B. Smith is a former follower of this New Age Christ. False Christ Coming -Does Anybody Care? describes the deceptive teachings that undergird Antichrist's deceptive Peace Plan. This book is a wake-up call to a church that remains strangely silent and in deep denial about the very deception that Jesus warned would come in His name (Matthew 24:3-5). Become aware of what's happening, and then warn your friends and family (2 Corinthians 2:11).
