Learn about the opportunity to align your investments to faith values through Biblically Responsible Investing. Licensed CPA Loran Graham demonstrates with grace and humility why honoring God with our investment choices matters, and how Biblically Responsible Investing (BRI) fits into the bigger picture of biblical stewardship. He addresses the tension between our stewardship responsibility to aim for the best return and our responsibility to honor the Lord by steering clear of investments that run contrary to biblical values. If you are a faithful steward who has made the decision to follow Jesus Christ, who seeks to honor the Lord in every area of your life, and who has money to invest for the future, Investing with Integrity is for you.
