Macroeconomics (11th Edition)

Michael Parkin

Macroeconomics (11th Edition) Michael Parkin

For the principle of macroeconomics course. This book is also suitable for all readers interested in economics.

Thoroughly updated, stripped of technical detail where possible, extensively illustrated with well-chosen photographs, enlivened with new applications features that focus on issues at play in today's world, responsive to the suggestions of reviewers and users, and seamlessly integrated with MyEconLab: These are the hallmarks of this eleventh edition of *Macroeconomics*.

;

Parkin brings critical issues to the forefront. Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed. When the chapter concludes, readers "read between the lines" to think critically about a news article relating to the issue, demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events. Readers will begin to think about issues the way real economists do and learn how to explore difficult policy problems and make more informed decisions in their own economic lives.

;

Parkin is so committed to currency that he uploads news articles almost daily to MyEconLab®, the online assessment and tutorial system that accompanies the text. Assessment questions based on the *Economics in the News* articles are uploaded periodically so that instructors can assign recent articles within MyEconLab.

Note: If you are purchasing the standalone text or electronic version, MyEconLab does not come automatically packaged with the text. To purchase MyEconLab, please visit: www.myeconlab.com or you can purchase a package of the physical text + MyEconLab by searching the Pearson web site. MyEconLab is not a self-paced technology and should only be purchased when required by an instructor.

Vincent Cartagena:

This Macroeconomics (11th Edition) is new way for you who has interest to look for some information because it relief your hunger details. Getting deeper you on it getting knowledge more you know otherwise you who still having bit of digest in reading this Macroeconomics (11th Edition) can be the light food for yourself because the information inside this particular book is easy to get through anyone. These books build itself in the form that is reachable by anyone, sure I mean in the e-book form. People who think that in publication form make them feel tired even dizzy this publication is the answer. So there isn't any in reading a e-book especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss that! Just read this e-book style for your better life and knowledge.

Raymond Dahms:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Macroeconomics (11th Edition) can make you experience more interested to read.
