The Shadow of Judex

The Shadow of Judex

JUDEX! He whose name means "Judge"! Created in 1917 by writer Arthur Bernède and filmmaker Louis Feuillade, Judex is the first of the dark knights, predating both The Shadow and Batman. To avenge the death of his father, young Jacques de Trémeuse has put on the dark hat and cloak of Judex and embarks on a secret war to mercilessly punish criminals. This collection of 26 stories, 16 of which were written especially for this volume, by 15 of the best pulp writers from Australia, England, France and the United States, pay homage to this milestone of popular fiction. In it, Judex meets such icons as the Frankenstein Monster, Dracula and the Werewolf of Paris, crosses paths with France's premier super-hero the Nyctalope, survives the bloody trenches of World War I and the perils of Occupied Vichy France, remaining always faithful to his noble ideals, the very embodiment of Justice.

Nancy Maxfield:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Shadow of Judex can make you feel more interested to read.
