Chapman Boater's Log John Wooldridge

Chapman, the world's most respected name in boating, provides skippers with a freshly revised version of their must-have reference: a log to record all the details of your trips, along with other important data about your boat you'll always want on hand. It now features an attractive landscape format, ribbon marker, and elegant gold foil-stamped cover, as well as valuable new sections, including a Float Plan List, Tool Kit List, GPS Waypoints pages, and Trip Index. As always, there's a place to jot down serial numbers and boat specifications; a fill-in-the blank-section for data on dealerships, stores, and service facilities; advice on craft care and maintenance; and safety and rescue procedures. From a pre-departure checklist to an equipment ID record, from the winter decommissioning to the spring fitting out, here's everything a boat owner needs to have a ship-shape vessel and a good journey.
