## **Charles Meryon: A Life** Roger Collins

Few nineteenth-century artists have been more in need of an authoritative biography than Charles Meryon. Roger Collins's new biography is the product of 40 years of research. Collins examines Meryon's life as a whole rather than focusing solely upon his years as an artist. This depth of focus helps us to understand some of the qualities in his prints - qualities which secured his reputation as one of the world's greatest printmakers.
