## **Lux the Poet** Martin Millar

There is something about Lux. He's a thief and a liar; he is selfish and self-absorbed and hopelessly vain. But while he looks like Lana Turner and romances like a true Casanova, Lux is actually more like a bumbling, oblivious Mary Tyler Moore.

Amid shouting mobs, police shields, and the hurled bricks of the '80s Brixton riots, Lux is searching for Pearl—the love of his life. Her home has been burned down by a stray petrol bomb, and she's searching for sanctuary along with her friend Nicky. Nicky is traumatized after having killed her computer—her best friend—and is herself being followed by Happy Science PLC. It is their plan to breed a superior next generation by implanting the sperm of genius men inside beautiful women. She knows too much about the plan. Lux is helped in his quest by Kalia, a castaway of Heaven attempting to get back in God's good graces by performing one million good deeds over countless lifetimes. There's also a thrash metal band, a riot-party, past lives, and KY. Lots of KY.
