Manazuru

Hiromi Kawakami

Manazuru Hiromi Kawakami

Twelve years have passed since Kei's husband, Rei, disappeared and she was left alone with her three-year-old daughter. Her new relationship with a married man—the antithesis of Rei—has brought her life to a numbing stasis, and her relationships with her mother and daughter have spilled into routine, day after day. Kei begins making repeated trips to the seaside town of Manazuru, a place that jogs her memory to a moment in time she can never quite locate. Her time there by the water encompasses years of unsteady footing and a developing urgency to find *something*.

Through a poetic style embracing the surreal and grotesque, a quiet tenderness emerges from these dark moments. *Manazuru* is a meditation on memory—a profound, precisely delineated exploration of the relationships between lovers and family members. Both startlingly restless and immaculately compact, *Manazuru* paints the portrait of a woman on the brink of her own memories and future.

From reader reviews:

Brian Lowe:

What do you consider book? It is just for students since they're still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be obligated someone or something that they don't desire do that. You must know how great as well as important the book Manazuru. All type of book could you see on many solutions. You can look for the internet options or other social media.

Hilda Szymanski:

Reading can called mind hangout, why? Because while you are reading a book especially book entitled Manazuru your mind will drift away trough every dimension, wandering in each and every aspect that maybe unfamiliar for but surely can become your mind friends. Imaging each word written in a reserve then become one application form conclusion and explanation that will maybe you never get before. The Manazuru giving you one more experience more than blown away your head but also giving you useful info for your better life with this era. So now let us teach you the relaxing pattern here is your body and mind will probably be pleased when you are finished reading it, like winning a. Do you want to try this extraordinary shelling out spare time activity?

Ariane Swanson:

Are you kind of hectic person, only have 10 as well as 15 minute in your day to upgrading your mind expertise or thinking skill actually analytical thinking? Then you are receiving problem with the book than can satisfy your limited time to read it because all of this time you only find reserve that need more time to be study. Manazuru can be your answer since it can be read by you who have those short free time problems.

Scott Hagen:

Do you like reading a publication? Confuse to looking for your best book? Or your book seemed to be rare? Why so many issue for the book? But just about any people feel that they enjoy to get reading. Some people likes reading, not only science book but also novel and Manazuru or perhaps others sources were given understanding for you. After you know how the great a book, you feel wish to read more and more. Science e-book was created for teacher or even students especially. Those books are helping them to include their knowledge. In other case, beside science e-book, any other book likes Manazuru to make your spare time a lot more colorful. Many types of book like this one.
