About the Author

Bonnie Wai-Lee Kwong is a poet and software developer in the San Francisco Bay Area. She has lived in nine states and two continents. Writing is a way for her to traverse seen and unseen geographies. She speaks Cantonese, Mandarin, some Japanese, English, ruby, and javascript. Kwong's poetry has been nominated for two Pushcart Prizes. Among her projects is a digital anthology, *The Taste of Each*, curated around references to oranges and bananas in various literary and artistic works across the world. Kwong's first poetry collection, *ravel*, spans wide and invites readers to interrogate boundaries. It has been listed as a finalist for the Many Voices Project by New Rivers Press, and the White Pine Press Poetry Prize. The digital index page for *ravel* can be accessed at www.bonniekwong.info/ravel

Blurbs

In this "multilingual" collection of poems, Bonnie Wai-Lee Kwong writes of the subtext of terror in every "civilized good." Hidden histories, suffering, and injustice are calmly dissected by this poet with clear eyes and straight diction - words that at once enlighten, empower, and untangle.

Koon Woon, author, *Water Chasing Water*, 2014 American Book Award winner.

Bonnie Wai-Lee Kwong is a poet who "traffics in songs unsung". There is a musicality to her lines and a pervasive intelligence behind each piece. Sometimes she permits the rational, scientific part of her mind dominate but more often her poems are sensual, delicate yet fierce, dynamic, and probing. Read this book and savor its flame!

Susan Terris, *Ghost of Yesterday, New & Selected Poems*

In *ravel*, Bonnie Kwong weaves from the disparate--from the quiet intimacies of love to the cruel depredations of history - an elegant fabric. Kwong's poems are spare, restrained, yet at the same time made rich by her knowledge of multiple languages and cultures. "How much sweetness do we need to swallow the bitter?" asks one speaker.

Leslie McGrath, author, *Out From the Pleiades*

From reader reviews:

Agnes Higa:

Are you kind of active person, only have 10 as well as 15 minute in your time to upgrading your mind skill or thinking skill even analytical thinking? Then you have problem with the book compared to can satisfy your limited time to read it because all of this time you only find reserve that need more time to be go through. ravel can be your answer since it can be read by you actually who have those short spare time problems.

Lucia Morrone:

Reading a book being new life style in this season; every people loves to learn a book. When you read a book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, due to the fact book has a lot of information on it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, such us novel, comics, and soon. The ravel offer you a new experience in reading through a book.

Jacqueline Bull:

Do you like reading a guide? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many problem for the book? But just about any people feel that they enjoy regarding reading. Some people likes reading, not only science book and also novel and ravel or even others sources were given understanding for you. After you know how the truly amazing a book, you feel wish to read more and more. Science e-book was created for teacher as well as students especially. Those guides are helping them to include their knowledge. In various other case, beside science reserve, any other book likes ravel to make your spare time considerably more colorful. Many types of book like here.

William Culley:

A lot of guide has printed but it is unique. You can get it by web on social media. You can choose the most effective book for you, science, amusing, novel, or whatever through searching from it. It is referred to as of book ravel. You can include your knowledge by it. Without making the printed book, it can add your knowledge and make you happier to read. It is most critical that, you must aware about book. It can bring you from one destination for a other place.
