Satan, The Devil and The Adversary: Uncovering The Myths And Revealing The Truth Dr Ron McRay

Mention the word Satan or the Devil and many Christians visibly get a look of concern, intimidation and/or fright. Satan is a force to be reckoned with in today's world. Unfortunately, most churches teach their followers to be afraid of, run from, or remain quiet when the Devil issue is brought up. Has the Christian world been duped into a false understanding of who Satan and the Devil really are? Dr. Ron McRay after much research and study has determined that, yes that is the case. Satan has developed into a superhuman figure with God-like qualities. He can be anywhere at any time and has the power to control circumstances or even you. He is all knowing, all powerful and cannot be eliminated. However, the only true teaching of Satan comes from Scripture. He has never written a book or been seen by anyone. Does the Bible teach that Satan is a force that no one can overcome? What does the Bible actually say about the character and nature of Satan and his demons which most people believe can harm and even kill. This book is sure to shake the standard teachings of most Bible believing churches in America and around the world. The teachings about the Devil are based on a wrong view of scripture and rely heavily on the teachings traditionally passed down from generation to generation. Those teachings were largely based on cultural influence and teachings of false religions and are not in alignment with the teachings of the Bible. Dr. Ron McRay has once again broken through the false teachings of religion and examined the Scriptures to find the truth. This book is about to change every concept you have ever had about Satan, The Devil and The Adversary.
