David Marshall

The Truth About Jesus and the "Lost Gospels": A Reasoned Look at Thomas, Judas, and the Gnostic Gospels David Marshall

Recent headlines, bestselling books, and even a blockbuster movie have called widespread attention to controversial writings that challenge some of the key teachings and perspectives that people of the Christian faith have long held to. Known as the Gnostic "Gospels," these writings have aroused much curiosity and led people to ask:

- What are the Gnostic "Gospels," and where did they come from?
- Are these writings trustworthy, or even on par with the Bible?
- Have we had wrong perceptions about Jesus all along?

In this helpful book, world religions scholar David Marshall examines the popular claims being made about the Gnostic "Gospels," and reveals how, in actuality, they fall far short of the true Gospels in the New Testament. This is an eye-opening resource that will equip Christians to take a well-informed and well-reasoned stand against the so-called "Lost Gospels" that have become so popular today.
