Being a Christian teen in today's world isn't easy. Sometimes it seems like you are just barely surviving, let alone thriving. Between the covers of this book are stories of students, who by faith have learned to flourish even when things got tough. Written by teens for their peers, this collection of devotions was compiled as part of an independent study Christus Honors Program. Each devotion has a suggested Bible reading and prayer. These devotions will strengthen Christian young people as they face challenges in today's world or could be used as an outreach tool to reach youth that do not know Jesus as their Savior.
