Beginning Modern Cocoa Alex Cone, Michael Isbell

Beginning Modern Cocoa is a modern or Apps era Cocoa programming guide that introduces you to the world of Mac OS X app programming as Apple redefines the platform to its core. New technologies from the iOS platform are being integrated into OS X. OS X is evolving rapidly and contributing technologies back to iOS.

Even venerable Objective-C has been overhauled and enhanced. The core toolset has been radically rethought into Xcode 4, which now integrates everything into one consistent environment designed to maximize developer productivity. So, this modern Cocoa tutorial incorporates Objective-C changes and keeps in mind today's modern apps-based approach.

With this definitive tutorial by Alex Cone, one of the founders of Cocoa and Cocoa touch, start developing with the latest tools like Cocoa Auto Layout UI, Blocks, Mac App Store Deployment and Push Notifications.

Learn how to seamlessly integrate iCloud support so your app seems to magically have its data wherever you are. Most chapters in this action packed tutorial come with examples and use case scenarios that you can learn from and apply to your own situations.

What you'll learn

- What is Cocoa and Cocoa touch
- What are some Objective-C fundamentals that may be needed, if you're new
- What are today's best and most useful Cocoa design patterns
- How to work with events, Core Data, iCloud, files, i/o, etc.
- What are and how to use the Cocoa User Experience and Interface APIs
- How to do fancy text and employ animation with Core Animation
- How to use this book's many examples and apply to your own situations

Who this book is for

This book is for new and experienced Objective-C programmers looking to learn the most popular Objective-C framework and libraries, called Cocoa. It's also for Mac and even iOS app developers looking to refine their Objective-C and Cocoa skills, techniques and use.

From reader reviews:

Willard Edwards:

A lot of people always spent their very own free time to vacation or even go to the outside with them household or their friend. Were you aware? Many a lot of people spent they will free time just watching TV, or playing video games all day long. In order to try to find a new activity that is look different you can read a book. It is really fun in your case. If you enjoy the book which you read you can spent the entire day to reading a publication. The book Beginning Modern Cocoa it is rather good to read. There are a lot of people that recommended this book. These folks were enjoying reading this book. When you did not have enough space bringing this book you can buy the e-book. You can m0ore quickly to read this book out of your smart phone. The price is not to fund but this book features high quality.

Bernard Kovach:

People live in this new moment of lifestyle always make an effort to and must have the spare time or they will get wide range of stress from both everyday life and work. So , once we ask do people have free time, we will say absolutely of course. People is human not really a robot. Then we inquire again, what kind of activity are there when the spare time coming to a person of course your answer can unlimited right. Then ever try this one, reading textbooks. It can be your alternative within spending your spare time, the book you have read is Beginning Modern Cocoa.

Martin Dowling:

As we know that book is important thing to add our information for everything. By a reserve we can know everything we want. A book is a range of written, printed, illustrated or even blank sheet. Every year had been exactly added. This book Beginning Modern Cocoa was filled about science. Spend your spare time to add your knowledge about your research competence. Some people has diverse feel when they reading any book. If you know how big advantage of a book, you can feel enjoy to read a publication. In the modern era like today, many ways to get book you wanted.

Helen Richards:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Beginning Modern Cocoa can make you truly feel more interested to read.
