A Promised Land, A Perilous Journey: Theological Perspectives on Migration

A Promised Land, A Perilous Journey: Theological Perspectives on Migration

A Christian theological interpretation of the border reality is a neglected area of immigration study. The foremost contribution of *A Promised Land, A Perilous Journey* is its focus on the theological dimension of migration, beginning with the humanity of the immigrant, a child of God and a bearer of his image.

The nineteen authors in this collection recognize that one characteristic of globalization is the movement not only of goods and ideas but also of people. The crossing of geographical borders confronts Christians, as well as all citizens, with choices: between national security and human insecurity; between sovereign national rights and human rights; between citizenship and discipleship. Bearing these global dimensions in mind, the essays in this book focus on the particular problems of immigration across the U.S.-Mexico border. The contributors to this volume include scholars as well as pastors and lay people involved in immigration aid work. Daniel Groody has also produced a documentary on immigration, “Dying to Live.”

“*A Promised Land, A Perilous Journey* offers a rich, interdisciplinary treatment of the subject of migration, showing the human face of contemporary migration as a global phenomenon. The authors explore historical antecedents in Biblical and early church history, the political debates about borders and the right to migrate, and the role of race, ethnicity, and gender in the ‘perilous journey’ of migrants. This is an indispensable text for all interested in the theology of migration and the ethics of migration policy.” —**William O’Neill, S.J., Jesuit School of Theology, Berkeley**

“At times saddening, at times inspiring, *A Promised Land, A Perilous Journey*, brings fresh perspectives to the discussion of immigration. These essays reach beyond the policy debate and the heated emotions of the moment and provide much needed reflection on larger truths.” —**Roberto Suro, University of Southern California**

From reader reviews:

Henry Jensen:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each book has different aim or maybe goal; it means that book has different type. Some people truly feel enjoy to spend their time for you to read a book. They are really reading whatever they consider because their hobby is definitely reading a book. What about the person who don't like reading through a book? Sometime, man feel need book when they found difficult problem or maybe exercise. Well, probably you should have this A Promised Land, A Perilous Journey: Theological Perspectives on Migration.

Paul Anderson:

What do you think of book? It is just for students since they are still students or it for all people in the world, what best subject for that? Merely you can be answered for that concern above. Every person has several personality and hobby for each and every other. Don't to be forced someone or something that they don't wish do that. You must know how great and important the book A Promised Land, A Perilous Journey: Theological Perspectives on Migration. All type of book are you able to see on many resources. You can look for the internet sources or other social media.

Richard Ortega:

Many people spending their time period by playing outside using friends, fun activity together with family or just watching TV the whole day. You can have new activity to enjoy your whole day by examining a book. Ugh, think reading a book can really hard because you have to use the book everywhere? It okay you can have the e-book, taking everywhere you want in your Touch screen phone. Like A Promised Land, A Perilous Journey: Theological Perspectives on Migration which is obtaining the e-book version. So , try out this book? Let's see.

Johnny Relyea:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this A Promised Land, A Perilous Journey: Theological Perspectives on Migration can make you experience more interested to read.
