Abstract of Systematic Theology James P. Boyce
Boyce became a pastor, then a university professor, and finally the founder and first president of the Southern Baptist Theological Seminary, where he taught theology from 1859 until his death in 1888. Throughout his ministry Boyce insisted on the importance of theological education for all ministers. In a preface, he described his Abstract of Systematic Theology, published the year before his death, as follows: "This volume is published the rather as a practical text book, for the study of the system of doctrine taught in the Word of God, than as a contribution to theological science."
