Sequel to An Unconventional Courtship

Kincaid International Corporation's CEO, Webber Kincaid, and his executive assistant, Tristan Moreau, have just returned from a Caribbean business trip gone horribly right. After years of hiding their love for each other, they finally came clean-and discovered KIC's chief financial officer has been up to some shady business transactions. Now that they're back, Tristan and Webber must expose the CFO's indiscretions-and save Webber's reputation, since he's ultimately responsible for his CFO's actions. With Tristan by his side, Webber faces KIC's board of directors and a looming investigation by the Securities and Exchange Commission and Department of Justice.

With all the uncertainty surrounding them, Webber and Tristan rely on the strength of their connection. Together, they plan an intimate wedding on the island of Martha's Vineyard. But despite their love for one another, Webber and Tristan quickly realize they have some hurdles to cross before they can start their unexpected new life.
