## **Grandma's Cobwebs** Ann Frantti

Claire's parents teach her facts about Alzheimer's Disease. They don't, however, pay much attention to how Claire is feeling about the changes in her grandmother's behavior.

Claire tells her friends silly stories about Grandma to make them laugh. Afterwards she feels guilty, gets in a fight and is grounded.

While she is grounded, Claire realizes that Grandma, who was the best grandmother in the world before she developed Alzheimer's Disease, is still the best grandmother in the world.

Grandma's Cobwebs helps children understand the physical and emotional aspects of Alzheimer's Disease. Grandma's Cobwebs, also, introduces the Three R's of Alzheimer's Disease: Relax, Remember and Respect. An educational supplement of questions and answers for children about Alzheimer's Disease is included with Grandma's Cobwebs.
