How to Cope in a Love Triangle: The Smart Woman's Guide Stacey Cooper

Every woman has at least once muddled into a love triangle. Some women have romantic relationships with married men and try to part them from their wives; others are married but have a lover; third have husbands cheating on them with other women and many other cases of love triangles. The purpose of this book is to help you rediscover your true self and find the solution that suits you best, the one that satisfies you and makes you happier. From all of those real and various stories about love triangles you will be able to learn about the mistakes of the women that have suffered so that you do not make them yourself while achieving what you desire. You will be the woman that wins in every situation, never in dilemma or depression, only and solely having fun and being the heart-breaker that every man craves. The aim of this book is to turn you into the confident woman that, with a little bit of cunning, satisfies all of her whims and is always preferred over the others.
