American Haiku Jonathan Hayes

American Haiku joins an already impressive body of work by San Francisco poet Jonathan Hayes, following on his most recent *Nippon* (2012). In *American Haiku*, we're in San Francisco with the poet, walking the streets, living the city, right with him, always in that haiku moment transfiguring these poems, a deep sense of wabi-sabi. This one's worthy to be on that special shelf with Jack Kerouac's *Book of Haikus*. As hard as rock in the rain, as soft as long hair in the wind. – Don Skiles author of *Miss America*
