Monument Valley, Navajo Tribal Park: A Visual Interpretation

Stewart Aitchison

Monument Valley, Navajo Tribal Park: A Visual Interpretation Stewart Aitchison

"Tse biyintzis gaaí" - "the space between the rocks" - is the name some Dine (Navajo) give for what white people call Monument Valley. The landscape of Monument Valley is internationally recognized but intimately known only by those few Dine who live there. The rock monuments are icons of a West which exists mostly in celluloid imagination, but they also define one of the most beautiful parts of Dinétah, Navajo Country.
