Old Time Fiddler's Repertory: 245 Traditional Tunes

Fiddle music is a firm part of the American folk tradition, yet little has been available in formal notation. This collection, based on recordings and notes made by R. P. Christeson over three decades, offers reliable scores for 245 traditional fiddle tunes as played by artists in the Midlands and the Southwest.

In this volume Christeson presents the scores for traditional tunes as played by thirty-three different fiddlers from nine states. Many of the tunes, divided into categories of breakdowns, waltzes, quadrilles, and "pieces," have never been published nor appeared on commercial recordings.
