One of the most important gifts parents can give their children is to teach them the Holy Scriptures. In a format tailored for toddlers and young children,

*Parables of Jesus for Children shares twenty-five New Testament parables, the Lord's Prayer, and Beatitudes that encourage youngsters to think and helps them learn the valuable and timeless lessons taught by each parable.*

Author Robert Bagnetto offers an entertaining collection of both familiar and new parables containing morals for children to remember and practice in their own lives. Included parables teach young people that God will find them if they wander away, help them remember the importance of practicing acts of kindness, and encourage them to keep in mind that unconditional love forgives all mistakes. Bagnetto transforms ancient stories using easily understood language to help children remember all that is important to being a good Christian both now and in adulthood.

Parables of Jesus for Children reminds both the young and old about the power of the Kingdom of God, the importance of prayer, and the peacefulness that comes from divine love.
